ST PETER'S, HALL GREEN WEEKLY NEWSLETTER

12th April 2026

Welcome to St Peter's.
If you are new to the church, please make yourself known. We are keen to make you feel at home.

An Interregnum Prayer – written by Phyll Benedikz.

Thank you, Lord, for your loving care throughout the life of St Peter's.
Make us confident in your Spirit's presence with us at this time of change.
Help us to support each other as we wait for our new priest.
Show us your will as we make our decisions, so that by your grace our future may be what you want for us.
Help our church to grow in numbers, in spiritual commitment to you, and in service to our local community, through Jesus Christ our Lord. Amen.

APRIL ECO TIPS

Fit more active travel into your day and daily routine. Re-evaluate your journeys: explore walking or cycling options or modify your route to include some form of active travel, i.e. disembark a stop early and complete the remaining part of your journey on foot, indulge in a leisurely stroll, or opt for a bike ride along a cyclist-friendly route. Consider connecting with your local Ramblers or cycling group for shared experiences. Use the extra steps or the changed travel arrangements as a prompt to pray for God's creation, nature's preservation and the reduction in fossil fuel usage.
